VSR Lamborghini Formula Junior Team confirms programme in Japanese F4

27th February 2015

Vincenzo Sospiri Racing is proud to announce that it will enter the VSR Lamborghini

Formula Junior Team in this year's **Japanese Formula 4 Championship**. The team will field a two car entry, one of which will be driven by **Takuro Shinohara** who was a Champion last year in Super FJ in Japan. The driver of the second car will be announced shortly.

Vincenzo Sospiri (VSR): I'm very excited about this new challenge for my team. There has been a lot of interest in this new Japanese championship and we will be competing against very good teams and strong drivers so I think the racing will be

very competitive. The Championship supports the Super GT series so for the drivers it is an excellent opportunity to race in front of big crowds at major events.
